# Town Councillors

7

**Clir. Noyce** – had a quiet month attending only the General Purposes Group meeting. **Clir. A. Ivens** – accompanied the Mayor to the Whitnash Civic Service and attended the General Purposes Group meeting.

Clir. Jelf – attended General Purposes Group and Planning meetings.

CIIr. Warner - reported;

- That some bolts and pins have worked their way lose on the skate board at the Leisure Centre. The town clerk will arrange for repairs.
- Attended the Planning meeting.

**Clir. Trapp** – was proud to present a letter of thanks from The Queen to the members of the Shipston Branch of The Royal British Legion and the townspeople of Shipston for their message of loyal greetings, sent of the occasion of their Diamond Jubilee. The Royal British Legion had sent a book of celebration messages written to The Queen recorded at the Diamond Jubilee events. **Clir. Cooper** – announced that the French Market will be in the High Street on 21<sup>st</sup> October.

**Clir. Fay Ivens** – reported on attending various working group meetings throughout the month and had joined residents at Shipston Christians Together 'Holiday at Home' for the Elderly, a three day event held at the Townsend Hall. Everyone present enjoyed the crafts, entertainment and lunches that were provided. The Mayor was delighted to have attended the official re-opening of the Youth Club, made possible by the dedication of the committee and many generous donations received. Finally, the Mayor was pleased to represent Shipston at Whitnash Civic Service.

### **District Council**

# SDC – Cllr. Cheney – reported:

- At a cabinet meeting held in Stratford it was announced that it will now probably be this time next year before the Draft Core Strategy is signed off. Cllr. Cheney is concerned with this delay as planning applications are flooding in from developers. Currently planning applications comply with the National Policy Framework.
- At the Saturday Surgery in the town Cllr. Cheney was asked by Mr Dennis Sutton if a bus shelter could be provided in Mill Street, also requests for a shelter at The Plantation have been made. This has been passed onto General Purposes.
- The rubbish at The Hub is still causing problems; Cllr. Murphy volunteered to look into the matter.
- The painting of double yellow lines in The Driftway to alleviate parking problems is still on the list to be done but due to financial cut backs there are no funds available at the moment.
- The tree at Orchard Close is to be trimmed back.
- The drains on the Stratford Road are due to be cleared but this will require the traffic being stopped.
- Cllr. Warner reminded Cllr. Cheney that the markings on the disabled parking space in the High Street are worn away. Cllr. Cheney will make the traffic wardens aware.

### **County Council**

**CC – Cllr. Saint** – gave his report towards the end of the meeting having been detained; however the report has been kept in its usual place for continuity.

- Cllr. Saint reported:
  - Application forms for the Councillors Development Fund have been launched; Cllr. Saint has £5000.00 to award. This fund replaces the Community Development Fund and in Cllr. Saint's opinion is a much fairer system.
  - The annual electric blanket testing is now available. Information on the web-site.
  - Hoping the proposed speed limit restrictions on the London Road and Fell Mill will soon be implemented. Cllr. Munden asked when the potholes on the Stratford Road would be repaired. Cllr. Saint has already contacted Jeff Morris at Highways and has been advised that there is a chance of additional resurfacing followed by repainting of the white lines.
  - Cllr. Cooper asked if Cllr. Saint would support his idea to replace the bulbs in the street lights with LED bulbs in an effort to reduce costs which could therefore reverse the decision to turn off the street lights at night. Cllr. Saint is happy to support this idea if it can reduce costs and the carbon footprint, however he still believes this will not prevent the lights from being switched off at night. Cllr. Saint is also unsure that our current street lights are adaptable to LED bulbs. Cllr. Cooper replied that he understands that it will need a whole unit to be replaced which could cost £500 per street light. Cllr. Ivens stated that STC had still not received a reply to the letter of objection to the switching off of the street lights.
  - Two other issues were reported to Cllr. Saint; the finger point sign to Brailes/Barcheston and the boundary sign on the Brailes Road. Cllr. Saint will look at these and report back.
